Surprise!

I never really rode a bicycle...
As I used to live high up in the mountains,
No...
We could've just walked—
Eh—? Then, why didn't you tell me—
Yes, I'm really happy!!
Since you were saying you wanted a bicycle
I just thought that this would make you happy, Arisa

Summary

Arisa lost few years of her memory due to amnesia. Man who was in a relationship with her was quite shocked as it happened all of a sudden but the one in question wasn't really concerned at all about her amnesia. Trying to make up for the lost memories, the everyday life of these "once again new lovers" make up for a fresh and exciting story. This is an earnest and a cheerful Amnesia Comedy!

Well yeah, I guess!?

Due to Amnesia, she lost her memories of when she was with Mari. Also she's super positive.
